

Global Security Devices appoints new Technical Sales Manager

Global Security Devices (GSD) is pleased to announce the appointment of **Michael Moynihan** as the new Technical Sales Manager. Global Security Devices based in Dublin design and manufacture both wired and wireless security products for the Irish and European markets.

Michael recently moved from IC Realtime as Sales Director where he was instrumental in building up the IC Realtime brand name and sales throughout Ireland. He also brings with him vast experience in the intruder market with particular expertise in wirefree products having previously introduced Crow wirefree systems into Ireland and spent twelve years with eircom PhoneWatch.

**Michael is contactable through the Dublin office:
01 5242690, 087 2142146, michael@globalsecurity.ie.**

Global Security Devices, S12 & S13,
Synergy Centre, Tallaght, Dublin 24.
